Balfron Book Trail

Can you find all 20 books hidden across Balfron? Head to all the local businesses marked with a wolf's paw on the map below and find the QR code located in the window or on fencing. Scan the QR code with a mobile phone (you may need to borrow a responsible adult!) and you will unearth a book linked to that location. Write the name of book on one of the book spines on the shelves in 'My Library' on the other side of this poster and start building up your very own literary collection.

Once you have located all the books, you can be in with a chance to win some very special Balfron Book Festival goodies. To enter the prize draw, hand in your completed library sheet at the Balfron Book Festival Headquarters which will be located on the Tontine corner across from the post office from Friday 5th September to Sunday 7th September – there may even be some treats on offer there for all finishers! Alternatively, you can hand it at any of the Balfron Book Festival events or email a photo of your completed entry to balftronbookfestival@gmail.com by 10th September.

Looking for more of a challenge? Why not also complete our Balfron Book Trail Quiz while you are out building your library? Solve the clues at each location by reading the book summary information and enjoy double the chance of winning in our prize draw.
